

HOUSE BILL 3507

By Fitzhugh

AN ACT to amend Tennessee Code Annotated, Title 3;
Title 4; Title 9 and Title 18, relative to state payroll
systems.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. The commissioner of finance and administration shall study the feasibility of simplifying the employee log-on and password protection functions of the state payroll system, commonly known as "Project Edison." Any such study shall include, but is not limited to, an examination of the continued utilization of expired passwords in non-successive periods. The commissioner shall strive to find user-friendly, reasonable solutions while maintaining overall system security.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
